# INNOVATIVE LEARNING IN THE DIGITAL ERA: INTEGRATING SUFI PRACTICES AND TECHNOLOGY IN EDUCATION

The University of Sufism and Modern Sciences, Bhitshah, successfully hosted a National Seminar on "Innovative Learning in the Digital Era: Integrating Sufi Practices and Technology in Education" on February 11, 2025.
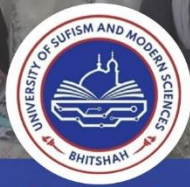

Led by Vice Chancellor, Prof. Dr. Arabella Bhutto, and organized under the guidance of Prof. Dr. Arshad Saleem, the event brought together distinguished scholars, including Dr. Riaz Ahmed (SZABIST), Dr. Amjad Ali Arain (GCU Hyderabad), Dr. Tariq Bhatti (University of Sindh), Dr. Fauzia Ajmal (IIUI), Dr. Kiran Hashmi (IoBM), and others.

Key discussions revolved around blending Sufi philosophy with modern technology to enhance education, featuring insightful presentations, student exhibitions, and research on AI in Sufi pedagogy and technology as a medium for spiritual growth.

A heartfelt thanks to our Guest of Honour, Mr. Muhammad Yousuf Sheikh (Deputy Commissioner, Matiari), esteemed speakers, faculty, students, and organizing team for making this event a remarkable success!
